Commercial Sales Ledger Recovery for Insolvency Practitioners

Darcey Quigley & Co have been successfully providing commercial debt recovery services to Insolvency Practitioners for over 15 years. We understand the importance of the collection of invoices, product and assets when a business fails. Time is of the essence, that's why you need a quick, reliable and professional debt recovery partner who are experienced working within corporate insolvency.

After your appointment we can deal with full ledger recovery, so you don't have to. We work with a wide range of insolvency practitioners and can help with the collection of single debts through to larger ledgers. We offer bespoke services for a fixed fee.

We can receive or extract outstanding debt information using a variety of methods including email, bulk uploads or through an API. Additionally we can receive ledgers through our bespoke platform which fully integrates with Xero, Sage Business Cloud, QuickBooks and FreeAgent!

Why Choose Us?

- Clear Communication – You will have a dedicated credit management consultant dealing with your ledger, as well as a dedicated account manager.
- Collaborative approach - We always act under your instruction and discuss the best way forward.
- Commercial Expertise – Our team has over 50 years' experience within the credit industry.
- Concise reporting – We provide full visibility and real-time updates via our online platform.

Let Us Assist

We are experts at managing sales ledgers and collecting outstanding invoices. Due to our experience, we maximize recovery rates on behalf of the IP, making your appointment less complex and as stress free as possible. Let us do the heavy lifting when it comes to collecting outstanding invoices.

We can assist with recovery of assets, sales ledgers, claims against directors of insolvent companies and third party claims regarding historical transactions and the sale of businesses and assets.

Most of all, we know how important it is for asset-based lenders and IPs to be able to rely on a commercial debt recovery agency they can trust. We are authorized and regulated by the FCA and we are also ISO9001 and 27001 certified.
